The Dubois Continuum of Care Community has three areas listed on the donation form where you may decide where you want your monies to be directed.

A description of the three designated areas of choice are:

1. **The Circle of Care**
Foundation provides direct financial support for the Dubois Village Personal Care residents that have depleted their assets but still require our care and support at the personal care level.
2. **The Giving Tree** provides direct financial support to residents within the whole campus that have depleted their assets but still require our care and support at their needed level of care.
3. **Other** allows the donor to write area of choice or it can be the generalized fund that permits the executive board to decide.

Here are a few ways you can give:

- **Annual Gifts** support the Circle of Care Foundation and/or The Giving Tree which supports the continuing of care goals of the Dubois Continuum of Care Community (DCCCI).
